Re: Information regarding Auradonics, Inc. COVID-19 closing until further notice

Dear Valued Customer of Auradonics, Inc.,

Effective beginning at 9:00 PM today, New Jersey Governor Phil Murphy issued a "stay-at-home" order to direct New Jersey employees not to report to work until further notice. This drastic step follows the recommendations of the U.S. Centers for Disease Control (CDC) and is intended to slow community spread of Covid-19 and to avoid overwhelming our hospitals with seriously ill patients. This order applies to all employees of companies in New Jersey except for companies that provide essential services (food, medical supplies, medical care, etc.). Since Auradonics, Inc. is not on the list of companies that provide essential services, we must comply with this order and will remain closed until permitted to reopen.

We will post updates on our website at [www.auradonics.com](http://www.auradonics.com) as the situation changes.

We thank you for your patience during this time. We hope that you, your families, and communities will stay well and that this crisis will end soon.

Thank you.

Sincerely yours,

Karen Harris, CEO  
Auradonics, Inc.
